ShredMaster XP426+

Jam Free Cross Cut Office Shredder

Momentum Extra jam free paper shredders are ideal for destroying confidential documents in the office. Active sensing technology measures the number of sheets being fed in real-time to stop paper jams and misfeeds; indicated by a red LED on the control panel. This paper shredder will not operate until the number of sheets is reduced below or at the maximum sheet capacity. This cross cut shredder is designed for moderate to heavy use with its high sheet capacity, large bin size and continuous run time. There's no need to remove staples and paper clips first; this GBC shredder also safely shreds CD's, DVD's and credit cards through a separate feed slot.
